Today's Date: _____

Please submit by the 15th of the month before your event or meeting.

POLICY:

The Bangor Area Recovery Network, Inc. policy is to provide a safe environment for those in recovery. While the mission is primarily related to substance abuse addiction recovery, BARN also is open to supporting other types of addiction, such as food addiction or gambling, as well as offering support to those who are affected by another's addiction, such as family members, children, and others who may be similarly affected by addicted or recovering individuals. In order to coordinate and schedule potential groups/meetings at the BARN's community recovery center, all requests must be submitted to the Community Outreach Specialist for consideration and/or approval.

1. The BARN reserves the right to deny, amend or terminate any rental request or agreement any time at its discretion.
2. The BARN reserves all rights over rented spaces and may ask a group to temporarily move their meeting to accommodate a special event or function. Regularly scheduled groups/meetings will be given at least 30 days notice and credit for any rent paid in advance.
3. Our facility is open to the public during all regular business hours. Therefore, renting the whole building does not grant the renter the right to regulate access to the facility.
4. Group and event members, participants and attendees are expected to adhere to the BARN rules. When rules are not adhered to, group members are expected to, within reason, hold participants and attendees accountable to those rules. If violation of BARN rules continues, a group/meetings rental agreement may be terminated at the BARN's discretion.
5. BARN volunteers are not obligated or expected to support and set up, break down or other functions related to group activity.
